Dear Friend,

The US Senate race in Ohio is shaping up to be one of the most important and costly races across the country this year. While Senator Rob Portman's retirement is a real loss of leadership for Ohio, it has also presented an opportunity to elect a strong, energetic and fresh new leader for our Party. That is why we have given our full support to JD Vance. He is the best candidate in this race, and is running because he's committed to making the lives of Ohioans better. His upbringing, strong family values and business experience give him the foundation to go to Washington be the effective legislator Ohio needs.

In the last two years, we've seen the policies of the current administration bring soaring inflation, record high gas prices and unprecedented economic decline. Now that the U.S. Senate majority is within reach, it's critical that JD Vance wins in November. JD is focused on boosting our economy by advocating for policies that encourage energy independence, bolster manufacturing to eliminate our reliance on China, and developing our workforce to bring new jobs to Ohio.

With just over 50 days until the election, JD is working overtime to raise the resources needed to win. Tim Ryan, his Democrat opponent, is a career politician, who has been in Washington for almost 20 years. He has authored four bills; three to name federal buildings in his district, and one to name a post office. He has been a rubber stamp for the failed Biden agenda during the last two years, and has been a consistent, loyal vote for the most extreme liberals in the House. Unfortunately, he came out of an easy primary with a huge war chest and national Democrats are pouring millions into this race desperately trying to keep control of their failed Democrat power monopoly. In the past six weeks alone, Tim Ryan has spent over \$6 million on broadcast television ads attacking JD. He needs our help to ensure he can stay competitive on the airwaves through Election Day.

That's why we're co-hosting a lunch fundraiser for JD on **Monday, October 24**, at the Kimble Company offices from 11:30 a.m. to 1:00 p.m. to support his campaign. Please consider joining us as a member of our host committee to participate in a private roundtable with JD prior to lunch. Information on the event is attached, and if you have questions, please contact Susan Humphrey at 513-508-6143 or email susan@jdvance.com. **Please RSVP to her by October 3 if you would like to be listed as a host committee member on the printed invitation for this event**, and your donation can follow by mail, online or on the date of the event.

If JD has the resources, he will win, and we will send another Republican from Ohio to the U.S. Senate. We urge you to join us in support of JD and appreciate your thoughtful consideration of this important request.

Sincerely,

Jon Elsassner Eric Kimble Greg Kimble

Each contribution designed for 2022 Primary Election debt retirement will be aggregated with all other 2022 Primary Election contributions by that same donor for purposes of determining whether the donor has exceeded the applicable per election contribution limit. For any contribution or portion of a contribution otherwise permissible under the Act, but which would cause a contributor to exceed any applicable Federal contribution limit to a specific Committee, Vance Victory shall reallocate the excessive portion of such contribution to the remaining Committee(s), to the extent permitted by the Act, according to this allocation formula. Vance Victory shall refund to the contributor any contribution or portion of a contribution that would cause a contributor to exceed any applicable Federal contribution limit, even after re-allocation, or that is otherwise impermissible under the Act. Any contributor may designate his or her contribution to a specific Committee(s), to the extent permitted by the Act. Vance Victory will not reallocate any contribution or portion of a contribution so designated, that causes the contributor to exceed the contribution limit to the designated Committee, without the contributor's prior written permission as required by law. Alternatively, any contributor may make a contribution payable directly to any of the specific Committee(s) listed in the first paragraph of this notice.

Contributions to Vance Victory, or to any of the Committees individually, are not deductible as charitable contributions for Federal income tax purposes. All funds received in response to this solicitation are subject to federal contribution limits and source prohibitions. The maximum amount an individual or a non-multicandidate federal political committee may contribute to Vance Victory is \$276,300. The maximum amount a multicandidate political committee may contribute is \$125,000. Contributions in any amount from corporations, labor unions, foreign nationals without "GreenCards," federal government contractors, or another person's or entity's funds are prohibited.

Federal law requires us to use best efforts to collect and report the name, mailing address, occupation, and employer of each individual whose aggregate contributions exceed \$200 in an election cycle or calendar year, as applicable.
